

The *MIC*² Process

Developed by Christ's
Commission Fellowship

WIN

Initiate and evangelise

Initiate a movement by showing tangible love, sharing Christ and starting follow up groups.

01

BUILD

Establish communities

Start churches or
communities with Great
Commission and Great
commandment DNA.

MULTIPLY

Build next generation

Build a multiplying
movement with at least four
generations of churches
and communities

03

SEND

Develop leaders

Identify, equip and mentor
new leaders.

04

PHASE 01

Reaching out and forming follow up groups in a target area

- Motivation to build movements of reproductive churches and fellowships
- Overview of core process
- Foundations of walking in the Spirit
- Prayer Care Share (including basic evangelism) as a basic orientation to reaching out to others
- How to tell your story
- How to communicate the gospel using available tools
- How to form follow up groups and follow up new believers through a simple process of facilitating study of a biblical story

PHASE 02

Establishing reproductive churches and fellowships

- Biblical view of a church
- Characteristics of a healthy church/fellowship/missional community (follows the Great Commission and Great Commandment)
- How to conduct regular meetings – 4 W's format
- Facilitating Obedience-based Bible Study
- Role of ordinances
- How to gather and begin regular meetings

PHASE 03

Developing leaders

- Character qualities of biblical leaders (integrity, family life, servanthood, etc.)
- How to choose new leaders
- How to develop new leaders
- How to mentor and coach
- How to build a movement

PHASE 04

Reproducing churches and fellowships

- How to apply CPM principles in target area
- Deepening knowledge of the meaning of the gospel in their lives
- How to overcome spiritual attack
- Role of gospel in transforming communities
- Preparing for continued multiplication
